GERMANS PLAN BLOW IN WEST.

News to the north of Verdun, where the Germans attacked were repulsed and asked for an armistice, which was refused, fighting in the western theater still is largely an artillery exchange. That evidence, however, that the German commander

plans another desperate effort to get through to the French coast ports. Every report from Belgium, France and Holland shows that the Germans are bringing up more and more troops and guns, but so closely is the secret kept that it is impossible to know where the blow is to be delivered. It will be the first time that the German army has been able to move north of the line, and by the men, guns and other machines of war which the Germans have been able to bring up to the front, the situation to meet this assault. The German army has been able to move north of the line, and by the men, guns and other machines of war which the Germans have been able to bring up to the front, the situation to meet this assault.

Help the Stomach Digest Your Food

When the stomach fails to digest and distribute that which is eaten, the system becomes clogged with a mass of waste and refuse that ferments and generates poisons that are gradually forced into the blood, causing disease and often serious illness.

Most people naturally object to the drastic cathartic and purgative agents that should be used. A mild, gentle laxative, positive in its effect and that will quickly relieve constipation is Dr. Caldwell's Syrup Pepsin, sold by druggists at fifty cents and one dollar. It acts gently, does not irritate the bowels, and is the most satisfactory remedy for constipation that can be obtained. For a free trial bottle write to Dr. J. C. To Cure Catarrh Purify the Blood

Reason it Out, Where Does it
Start the Mucus From?

Insufferable catarrh sufferers have cured themselves by purifying their blood with S. S. S. Catarrh often invades the entire system before it chokes the nasal passages. It becomes so chronic and so tenacious that the stomach, liver, kidneys, bronchial tubes and most of the glands are involved without such serious conditions being realized. Catarrh may be the result of some serious blood condition of former years, and this is only one of the many peculiar effects of impure blood. Now S. S. S. in its influence upon the mucous surfaces, causes those catarrhs to be changed or converted into a substance easily, quickly and naturally expelled from the body. It so changes this mucus that it is not the sticky, clogging stuff that plugs the nose, chokes the throat, causes severe bowel trouble, upsets the stomach and contaminates the food just entering the blood. It is often difficult to convince catarrh sufferers that chronic cough, sore throat, nasal discharge, and other symptoms are only the local evidence of deep seated trouble. Get a bottle of S. S. S. today and try it. You will get good results, real benefit and soon be aware of a gradual clearing up and a check to the progress and dangers of catarrh. Avoid substitutes. S. S. S. is prepared only by The Swift Specific Co., 61 Swift Bldg., Atlanta, Ga. They conduct a medical department for free advice that is worth while consulting.

HOMES FOR 120 BOYS WANTED FOR CORN SHOW

Many Exhibits Have Already
Been Secured and Are Be-
ing Put in Place.

The committee of the chamber of commerce having in charge the corn show is busy arranging the many exhibits which are daily arriving, and finding homes for the 120 country boys who will come. Hospitality for 400 boys has been provided. Homes for 120 more are needed. Letters are coming into the chamber of commerce from all parts of the state, showing the greatest interest on the part of the corn show boys.

Results are coming in from the efforts of Wayne Gibson, scout commissioner of Atlanta, who is working with the various troops of boy scouts, making the aid of their parents in the entertainment of the country boys. Several of the scouts announced Wednesday morning that their parents would assist.

Headford Knapp, special agent in charge of the bureau of plant industry of the department of agriculture, in Washington, has written Secretary Cooper that he will attend the show. Mr. Knapp is known throughout the country as the leading authority on all matters in his department.

O. B. Martin, also of Washington, D. C., who is in charge of the demonstration club work, has also accepted his invitation to be in charge of the corn show. He is a well-known agent of the Home Chamber of Commerce, and is sending to the show barrels and five boxes of canned goods which were recently exhibited at the Home corn show. TWO SIGNIFICANT LETTERS

City of Atlanta

Mayor's Office

Nov. 17, 1914.

Mr. St. Elmo Massengale,
City

Dear Sir:

It gives me pleasure to state that I have noticed a great many of your advertising boards around the city, especially those near the center of the city and on business streets leading from the center of the city. All such boards are ornamental attractive and things of beauty. * * *

DEPARTMENT OF PARKS
OFFICE OF THE GENERAL MANAGER

November 20, 1914.

Mr. St. Elmo Massengale,
President Atlanta Ad Men's Club,
Atlanta, Ga.
Dear Sir:

Yours of November 14th regarding the Playground Committee of the Ad Men's Club was on my desk when I returned to the city. This leads me to another matter regarding which I have intended to write you for some time, about the improvement of the billboard situation in Atlanta. Your efforts in this matter have been noteworthy and have frequently been subject of comment from park officials or other sections of the country who have visited me here. Men who travel tell me that they do not know of any city which has such ornamental billboards as you have given Atlanta and I wish to add my testimony to what they have said. Your work on Edgewood avenue and on Peachtree Street have particularly struck my attention. As a matter of fact you have produced the only pretty places with green lawns that we have in the center of the city. I trust you will not become discouraged in this work, but will continue to make the advertisements attractive. It seems to me that Atlanta owes you a vote of thanks for your work and I would like to be the one to make the motion.

With best wishes, I am,

Yours very truly,

St. Elmo Massengale

General Manager.

The above letters from Mayor Woodward and Mr. Carey are a very welcome appreciation of our consistent efforts to make our bulletin boards such beautiful institutions that they would reflect credit on the city. We have accomplished this purpose, for our boards are better dignified and attractive. As such they best serve their function as being advertising mediums of dignity and worth, which, after all, gets the business for our clients. May we have the opportunity of talking to you? Let us send you our interesting booklet, "The Truth About Bulletin Boards."

REWARD FOR BURGLARS IF THEY RETURN GOODS

Mr. and Mrs. Kauffman Have
Small Faith in Ability
of Police.

Expressing their disbelief in the existence of an Atlanta police force, Mr. and Mrs. C. E. Kauffman, of No. 29 South Prado avenue, whose home was burglarized of some valuable jewelry last October, have issued the following card, addressed to the Hetherford of Thieves and Robbers, of Atlanta:

"If the burglar who entered the residence of C. E. Kauffman, No. 29 South Prado, late in October, and stole some jewelry, will return the jewelry he will be paid a liberal reward, and will not be prosecuted."

In order to afford absolute protection to the burglar, Mr. and Mrs. Kauffman stated that if the police attempted to discover the burglar's identity when he returned the stolen jewelry, that they would tell the police that the burglar called and pointed them the way he left their house. "This," they said, "would make it absolutely safe for the burglar, as the Atlanta police never are able to find anything they are looking for."

The jewelry is valued at about \$300.

Mrs. Kauffman declared that during their residence of three years on South Prado she had never seen a policeman except when they came out to enjoy a good laugh about the burglar stealing her valuable jewelry.

Baraca-Philathes.

A record-breaking crowd filled the auditorium of the Central Baptist church Tuesday night at the regular monthly meeting of the Baraca and Philathes. This movement is spreading in Atlanta and thousands of young people are being reached through this organization.

Atlanta?

"Bear ye one another's burdens, and so fulfill the law of Christ."

War is abroad.

Winter at hand.

Want is here.

The blood of the man shot last week stains the locker-club door. The convicted burglar points to the law-breaking locker club. His wife and children are part of our burden.

Lack of thrift has its victims; the employer paying less than a living wage has his; but the saloon and law-breaking locker club produce more—

Poverty-stricken, jobless men.

"We are God's fellow-workers."

Should Atlanta give work to the workless?

Should our city issue bonds to do this?

Surely. But stop—

Should millions from a bond issue be entrusted to officials who promote drunkenness, crime and pauperism by licensing law-breaking saloons and locker clubs?

"Every man shall bear his own burden."

A divided city can only fall.

Atlanta will endure. Let us get together!

IF MAYOR WOODWARD and his advisors actually believe an OFFICIAL OATH TO BE MEANINGLESS, and laws binding upon public officials only when public officials choose, LET US NOT THINK OF ISSUING BONDS.

TEN PER CENT of the registered voters can call an election to initiate legislation in Atlanta.

TWENTY-FIVE PER CENT of the registered voters can institute an election to recall any official, whether he be MAYOR, COUNCILMAN OR MEMBER OF A BOARD in the City of Atlanta.

An injunction can close today the law-breaking locker clubs and bars.

WE WISH TO HELP AND NOT TO HINDER THE ADMINISTRATION OF MAYOR WOODWARD.

Mayor Gill, of Seattle, after a recall and defeat, learned the strength of decency inherent in every city.

Atlanta can do better.

WE ASK ONLY OBEDIENCE TO LAW, A UNITED CITY.

Let us care for God's poor.

Clemson Plays Last Turkey Day Game Today With Tech; Teams Will Fight Hardest

This afternoon at 2:30 o'clock the football teams of Georgia Tech and Clemson line up in battle array, in the last meeting between these two old rivals in the future that will not occur until the fall of 1915. The Tech authorities having signed with Auburn for Thanksgiving day next year, and will make other arrangements in future years, that this will be the last chance they will have to battle the last champion of the South. The game will be played on the field determined to win, and the last game of the season determined to win. The game is expected to be a hard-fought one, and the teams are expected to play hard. The game is expected to be a hard-fought one, and the teams are expected to play hard.

Hand-Picked Game. Football coaches and local fans are looking forward to a hard-fought game with the outcome very much in doubt, and although the odds are against Tech, the game is expected to be a hard-fought one, and the teams are expected to play hard.

Unquestionably, the Tigers are stronger than when they played last season, and they have been playing a brand of football that has been better than that of any other team in the South. The game is expected to be a hard-fought one, and the teams are expected to play hard.

The game is expected to be a hard-fought one, and the teams are expected to play hard. The game is expected to be a hard-fought one, and the teams are expected to play hard. The game is expected to be a hard-fought one, and the teams are expected to play hard.

Twenty-Sixth Meeting Between Old Rivals at Nashville Today—The Dope Is Close.

Nashville, Tenn., November 25.—(Special.)—The Sewanee Tigers arrive here this morning for their annual game with the Vanderbilt Commodores this afternoon.

This is the twenty-sixth annual meeting between the two old rivals and never in the history of the meeting of the two teams has the game pointed to such a close game.

The Commodore are favored to win, but the Sewanee supporters are none too confident, and the odds that they are offering are little better than even.

Vanderbilt will be heavier by four points to the man. This advantage is not considered of much moment. Both sides have a big staff of coaches at work for the past week helping the regular players out.

The probable line-up of the two teams is as follows: Sewanee (117) vs. Vanderbilt (117).

Boys' High Eleven Meets Tech High On Grant Field

With both teams confident of capturing the struggle, Tech High and Boys' High will meet on Grant field this afternoon at 2 o'clock in their annual battle.

Virginia-North Carolina Game Decides the Title; W. & L. Has Claims Also

Alumni of both schools from all over the country are coming to the contest. This is the twentieth meeting between the teams. In the previous seasons, Virginia has won 15, North Carolina 3 and a game resulted in a tie. The last Carolina victory was recorded in 1901.

The game is going to be very much in evidence, as the rush lines of the two teams are considered formidable and very evenly matched. In this respect, Virginia is believed to have the edge, with her speedy backfield.
